

March 2024 Club Shipment

As we shake off winter's chill, William Hill is abuzz with incredible wines, verdant hillside views and more opportunities to experience one-of-a-kind events and delectable pairings. To match the freshness of spring, we hope you enjoy our 2021 Winemaker's Series Reserve Chardonnay and 2020 Winemaker's Series Reserve Cabernet Sauvignon, which offer bright fruit notes and aromas that embody the characteristics of a sunny day in Napa Valley.

March Selections

2021 Winemaker's Series Carneros Chardonnay

Scoring 93 points from Wine Enthusiast (September 2023), this full-bodied wine was crafted in the cellar to balance vivid fruit with toasty barrel notes. Opening with aromas of candied peaches, nectarines and orange blossom, the fruit-forward palate is marked by lively acidity that leads to a long finish.

2020 Winemaker's Series Reserve Cabernet Sauvignon

Displaying intense, concentrated layers of complexity, the wine opens with aromas of blackberry reduction, plum sauce, vanilla and carob. Expansive notes of boysenberry cordial, teriyaki beef and fennel seed grace the palate. Velvety and smooth, this medium-bodied Cabernet is marked by a long, creamy finish.
